

Live Watercolour Portraits

From a young age I loved all styles of art, music and dance. I started teaching myself watercolour and calligraphy in preparation for my own wedding in 2017. I was lucky enough to take a few courses in Calgary and I fell in love and have not put the paintbrush down yet. I signed up for an amazing online course from one of my favourite artists and decided to pursue my passion and Kaitlyn Elizabeth Ann was started.

I would describe my style as very whimsical, playful, and definitely more modern and artistic. I am constantly learning and expanding my knowledge of calligraphy, watercolour and lettering.

When I am not painting, I love to hang out with my hubby Brent and our daughters Everly and Claire. We love to take off to the mountains as much as possible. Living here we are definitely spoiled by having them less than an hour away. We love to go hiking and exploring in the summer or winter. Canmore is such a special place for us and has so much meaning to us, especially since our wedding there in May 2017. We also love to travel to Phoenix, Laguna Beach and Palm Springs!

I am so honoured that you are considering having me paint LIVE at your event. It creates such a memorable experience for your guests and they have a personal unique gift to take home with them.

Personal Touch That Your Guests Will Never Forget!

LIVE WATERCOLOUR GUEST PORTRAITS

Live Watercolour Guest Portraits are a way to WOW your guests with a custom piece that they will be talking about for years to come.

Live Portraits are great for: Weddings, Bridal Showers, Baby Showers, Corporate Events, Influencer Events and More!

Interested in booking? Here is how it works:

1

When guests approach the live art table I take a quick photo and let them know their portrait will be painted during the event and they can pick up at the end. That way they can get back to the party!

2

Kaitlyn will work off the photo taken to draw and paint the portrait in watercolour. Each portrait is on 4.5x6 watercolour paper. It takes 6-7 minutes on average per person and I can fit up to 4 people in a portrait.

3

Once Kaitlyn is completed the portrait she will write the guests names on the back so they can find them at the end of the night. They are all packaged up for your guests to take them home.

Frequently Asked Questions

What is required for the day of set up?

We require a 6ft table, chair and bright lighting – all of which we ask you, our client, to set up. Kaitlyn will bring all the art supplies and a small sign for the table.

What is the best time to start the live painting?

We recommend to start during cocktail hour.. If cocktail hour and the reception are in separate areas, we can arrange to move stations in between.

Are there any restrictions on the paintings?

We can fit up to 4 guests in a portrait. For couple/family/group portraits please note there will only be one copy. To accommodate as many guests as possible, we limit one portrait per guest, and encourage couples and families to pose together for one portrait. No custom requests can be accepted during a live event. If additional details are asked for I do provide custom full body portraits on my website.

How many guests can you paint at my event?

You can choose up to 6 hours of painting time. The approximate counts below take into account also taking the guests photo. If you are able to have someone assigned to help with that it will allow more painting time for Kaitlyn.

2 Hours – 16-24 Guests

3 Hours – 24-36 Guests

4 Hours – 32-48 Guests

5 Hours – 40-60 Guests

6 Hours – 48-72 Guests
